

LOLLIPOP THERMOMETER

The CDN Lollipop Thermometer (DTL572) a fast 4-second response. Designed to fit in a chef's pocket, the DTL572 is NSF® Certified, with a 4.3-inch 304 stainless-steel stem. The 1.5 mm thin tip allows for easy insertion into thin cuts of delicate fish or meats as well as general purpose cooking.

This durable thermometer can withstand water immersion. The Lollipop Thermometer is rated at IPX7, which means it is protected against water immersion for 30 minutes at 3 feet. This is more than enough protection against dropping the thermometer into a full sink or even a pot of soup.
